WEBINAR: HUNGARY AFTER THE VOTE — UNDERSTANDING POWER, PROCESS, AND POST-ELECTION PATHWAYS

The European Platform for Democratic Elections (EPDE) is pleased to invite you to the webinar “Hungary After the Vote — Understanding Power, Process, and Post-Election Pathways”.

Hungary’s upcoming parliamentary elections are shaping up to be a pivotal moment for the country’s political future. With polls pointing to a competitive contest, important questions remain not only about election day itself, but also about what may follow.

This webinar will explore possible post-election scenarios and the challenges that may arise in the period after the vote. From the timing of results to the handling of legal disputes, recounts, or political uncertainty, the discussion will look at how Hungary’s institutional framework could shape the post-election environment.

Key questions include:

- ▶ When are results likely to become clear?
- ▶ What could happen in the case of legal challenges, recounts, or prolonged uncertainty?
- ▶ How can civil society and the international community prepare for different scenarios?
